## 1999

### Company Get Started

PT. Supa Surya Niaga, established in 1999. We started from being a humble trader in the Surabaya wholesale trading hub in Jln Songoyudan, Surabaya.

## 2006

### New Plant in Sidoarjo

Following the growth and demands of our buyers, PT. Supa Surya Niaga expanded in establishing production facilities for the cleaning, drying and packing of spices.

## 2014

### ISO 22000 Certification

PT. Supa Surya Niaga embarked on a food safety program in early 2012 and we attained our ISO 22000:2005 certification in the year 2014.

## 2017

### FSSC Certification

PT. Supa Surya Niaga upgraded our certification to Food Safety System Certification (FSSC 22000:2005). FSSC 22000 is fully recognized by the Global Food Safety Initiative (GFSI) and is based on existing ISO Standards. Being Food Safety System compliant also allows us to have full traceability system. It demonstrates our company has a good Food Safety Management System in place that meets the requirements of our customers and consumers.

# OUR PROFILE

## Food Ingredients Manufacturer

**PT Supa Surya Niaga**, a Spice Ingredients manufacturer in Indonesia with more than 20 years of experience in the food industry.

With the strong solid foundation laid by our founder during the Crisis Era in 1999, we have grown strength by strength over the years. We have developed good relations and reputation as a reliable partner with many industrial customers as well as international buyers.

We work with our various partners with a strong emphasis on fair trade tripartite relationship that will benefits suppliers, buyers and us. As an Industrial Manufacturer, we are ever ready to supply and meet tough demands from our partners. Nothing is too hard in Supa, where we bring value and pride to our brand and we take immense pride in labelling them **“Made in Indonesia”** befitting our high standards of value addition.

## Our Mission :

Being an ethical fair trade company with strong roots and emphasis in quality and service, we must always be ahead in ensuring all customer demands are met.

Food Safety Management System and Food Security must always be a priority.

## Our Vision :

To be a Strong Partner for Industrial Partners and International Buyers. A company that does its fair share to uplift the people of Indonesia and also caring for the environment with sustainable agriculture practices.

# Supa<sup>®</sup>

## Supa Your Food Ingredients Partner Where The Journey Begins

**Spice is a Spice;** the flavors are only infused when it is processed, cooked or added to any food or beverage. It has to be understood fully to appreciate its fine qualities.

**In Supa,** we have the customer oriented culture imbedded in all of us. That keeps us moving daily to meet any requirements from our esteemed partners. The learning culture in every member of our Supa family is the one that has kept us going for more than 20 over years.

**The Tree** only grows when the roots are strong.  
**The Leaves** only grow when the tree is strong.  
**The Flowers** only bloom if the leaves are healthy.  
**The Fruits** only arrive when the above 3 work in tandem.

Relate with us and we will try our best to meet your demands.
